Annanya.N resume (2).pdf

87.0 KB 

Resume Screening Results

Rank	Resume	Final Score	JD Similarity	Keyword Coverage
1	Annanya.N resume 2.pdf	25.33	26.83	23.08%

Per-candidate highlights

1. Annanya.N resume 2.pdf

- o Final score: 25.33
- o JD similarity (TF-IDF): 26.83
- o Keyword coverage: 23.08%

- Sample matched keywords: `future, real, solutions`

 This is a local heuristic model (TF-IDF + keywords). In a production system, you'd plug in OpenAI GPT / Claude / Gemini via LangChain for deeper semantic scoring and explanations.
